### **Exchange Rate Displays**

#### **Standard Exchange Rate Displays**

Most of our **Exchange Rate displays** are bespoke to order, but if you are looking for a simple exchange rate display with 6 currency rows and 2 column as **shown right** then we tend to keep these in stock.

We have 2 options, indoor use and window bright, both with red LEDs, 20mm height with a date and time clock.

#### **Specification:**

- Size: 610mm (w) x 490 mm (h) x 65mm (d)
- 7 segment display
- 2 columns BUY / SELL
- 6 Currency Rows
- 6 digit LEDs
- 20mm LED digit height
- · Interchangeable magnetic labels with flags
- Date & Time with Real Time Clock
- Built in RS232 interface to update from PC
- Automatic back up if power failure

As an established leader in the UK for electronic message display signs and with over 35 years experience in the business of supplying programmable LED signs and LED displays, you can be sure that we'll give you the right advice and excellent service, these are the values that we hold dear.

We are a British company and we pride ourselves in our commitment to our customers, product performance and our quality of service. In the past 35 years or more we have installed in the region of nearly 20,000 LED screens and displays to a broad spectrum of clients. As a LED display LED screen manufacturer we are able to offer a complete bespoke solution from concept to commissioning offering you the most cost effective solution to your needs.

If you'd like to talk to us about how we can help you just call us. There's no obligation and we don't charge for quotations. We can work together to be sure that the LED sign solution we offer you is absolutely the correct solution for your requirements.

For demonstrations and to view our extensive range of LED displays please contact us to arrange a visit to our showroom at our base in Andover, Hampshire. Just call us on 01264 303030.

#### accreditations

LED Synergy Electronic Displays have over 35 years experience in the manufacture and supply of electronic displays to many companies and individuals worldwide. We have a wealth of experience and expertise and have been accredited with the following certifications:

ISO9001

WASTE ELECTRICAL and ELECTRONIC EQUIPMENT

Simple to operate products with bespoke software

Value for money & satisfaction guaranteed

Superb British manufactured products

Excellent support & customer service

EUROPEAN COMFORMITY

UNDERWRITERS SAFE LABORATORIES CONTRACTOR

We are also an approved Highways Agency contractor

"This huge sign caused great excitement at the start if the new Millennium, with welcoming messages uploaded from around the world it brought the year 2000 in with a bang!".Reuters

We accept most major credit and debit cards

"Thank you for all your help in the installation of the Help Desk Control system. The system has been up and running for over a year, and surpassed the trial findings. We were able to achieve a complete system payback within 6 months." Tony Lawrence (Technical Support Manager) - Lloyds TSB

"The LED displays have proved invaluable in enabling us to direct large numbers of personnel quickly and efficiently throughout the building. Reliability is paramount in our facility and the led displays have performed faultlessly, I would not hesitate in recommending them." Lez Smith (Head of Security) Citigroup
